## ***An Interview with Board Member: Adam Barnhart***

This month, we sat down with our Credit Union Board Member, Adam Barnhart to learn more about him, his leadership, and dedication to serving our members.

### ***Tell Us a Little About Yourself***

I'm a 25 year old electrician who likes golfing, playing basketball, and math. Enjoy bass fishing in the summer and snowboarding in the winter.

### ***What drew you to participate in the Credit Union Board?***

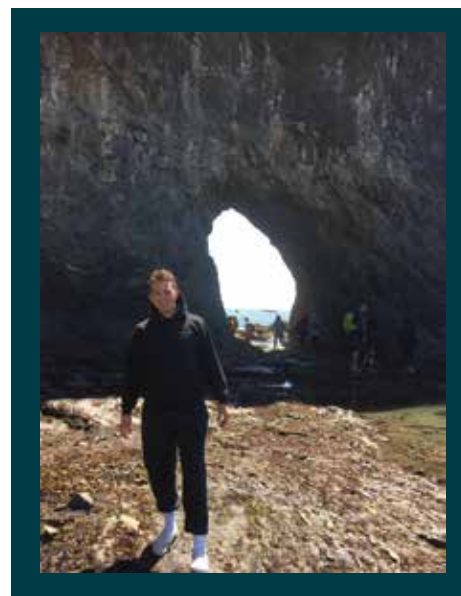

I wanted to learn about the credit union and the decision processes. I wanted to have a voice in the process as well.

### ***What ideas do you have for the Credit Union this year?***

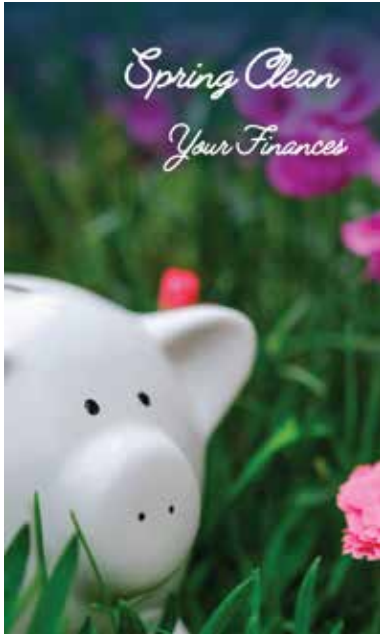

I'm thinking about Mortgage Loans being offered and the growing of our membership.

### ***What is one thing you wish more people knew about the Credit Union?***

We make decisions to benefit the members, unlike normal banks. We aren't here to make money, but to help others save money and be proud of their decisions, banking with us.

# Spring Clean Your Finances: A Fresh Start for a Bright Future

As spring arrives, it's the perfect time to refresh more than just your home—your finances deserve a reset, too! Just like decluttering your space, organizing your budget can help you feel more in control and set you up for success. Start by reviewing your spending, canceling unused subscriptions, and finding ways to boost savings. Small changes, like adjusting daily expenses or setting financial goals, can lead to big wins.

Next, tackle any lingering debt with a repayment plan, consider consolidating high-interest balances, and check your credit report for errors. It's also a great time to strengthen your savings—whether for an emergency fund, a summer getaway, or retirement. A little financial spring cleaning now can bring clarity, peace of mind, and long-term stability. Need help getting started? Your credit union is here with tools, resources, and expert guidance to support your fresh financial start!
